Richland & Snake River Sections hosted the 62nd Northwest Regional Meeting of the ACS (NORM 2007); held in Boise, Idaho on June 17-20, 2007, and hosted concurrently with the Pacific Division of the AAAS.

Chartering the new ACS Snake River Section with President Katie Hunt was a highlight.

Thanks to Boise State University and Micron as major contributors to the meeting's success.

Programming at NORM included special symposia on the Chemistry of Advanced Nuclear Systems, Sensors and Sensor Technologies, as well as highlights from research at both Dept of Energy National Laboratories in the Northwest Region (Idaho National Laboratory and Pacific Northwest National Laboratory).

Featured symposia and events included Public Response to Chemical Exposure Emergencies, Women Chemists Committee symposium and networking luncheon, and special programming for undergraduate students & high school teachers.
